

General Information

Objectives

The objectives of the symposium are to: (1) increase awareness of the value of patient engagement in research; (2) highlight new opportunities for funding of patient engaged research; and (3) present successful examples of patient engaged research by UI faculty.

Registration

There is no registration fee. However, registration is encouraged at the following site: <https://www.eventbrite.com/e/patient-engagement-a-new-frontier-for-clinical-research-tickets-26060075387>

Location & Parking

Medical Education and Research Facility is located at 375 Newton Rd, Iowa City. Parking is available at the Newton Road parking ramp, just north of MERF.

Support for Engaged Research

There's expertise on campus to help you apply and succeed in obtaining funding for engaged research – the Division of Sponsored Programs (DSP) and the Community Engagement Core at the Institute for Clinical and Translational Science are at your service. DSP has hands-on experience with PCORI procedures and grant applications. The Community Engagement Core can provide guidance on identifying and engaging patients, caregivers, clinicians, and other healthcare stakeholders in your research activities.

ICTS Community Engagement Core

Contact: elizabeth-swanton@uiowa.edu

- Assistance in identifying stakeholders and building partnerships
- Advice on establishing research advisory boards

Division of Sponsored Programs

Contact: mary-blackwood@uiowa.edu or tracy-titus@uiowa.edu

- Detailed knowledge of PCORI application requirements
- PCORI proposal reviews

Post-Award Contact: diana-boeglin@uiowa.edu or jessica-l-boyle@uiowa.edu

- Experience negotiating PCORI contracts, post-award milestone changes
- Incoming & outgoing subawards under PCORI contracts

PATIENT ENGAGEMENT:

A New Frontier for Clinical Research

Monday, July 25, 2016
8:00 a.m. – 12:00 p.m.

Urmila Sahai Conference Room, 2117
Medical Education and Research Facility
University of Iowa

Sponsored by:

ICTS | Institute for Clinical & Translational Science

 **Office of Research
and Economic Development**

Program

- 7:30 a.m. **Registration and Continental Breakfast Available**
- 8:00 a.m. **Welcome**
Gary Rosenthal, MD
Making Research Richer Through Patient Engagement: Examples from the Field
Kim Kimminau, PhD
- 8:30 a.m. *Engaging Special Populations: Lessons Learned*
David Drake, PhD
Betsy Chrischilles, PhD
Lisa Roth
Moderator: Edith Parker, MPH, DrPH
- 9:30 a.m. **Break**
- 9:45 a.m. *Increasing the Voice of the Veteran in VA Research*
Kenda Stewart, PhD
Bill Wirth
Marin Schweizer, PhD
Moderator: Ann Marie McCarthy, PhD
- 10:30 a.m. *Partnering with Patient Advocacy Groups in Genetic Disease Research*
Arlene Drack, MD
Tahuanty Pena, MD, MS
Moderator: Gary Rosenthal, MD
- 11:15 a.m. *Engaging Patients in Research: A New National Imperative*
Bray Patrick-Lake, MFS
Closing
Gary Rosenthal, MD
- 12:00 p.m. **Adjourn**

Speakers

Guest Faculty

Bray Patrick-Lake, MFS
Director of Patient Engagement,
Duke Translational Medicine Institute
Director of Stakeholder Engagement,
Clinical Trials Transformation Initiative
Duke University

Kim Kimminau, PhD
Associate Professor, Family Medicine
Director, Center for Community Health Improvement
University of Kansas Medical Center

University of Iowa Faculty

Carver College of Medicine

Arlene Drack, MD
Associate Professor in Ophthalmic Genetics
Director, Pediatric Electroretinogram Service
Associate Professor of Ophthalmology
and Visual Sciences
Associate Professor of Pediatrics

Tahuanty Pena, MD, MS
Clinical Assistant Professor of Internal Medicine

Marin Schweizer, PhD
Assistant Professor of Internal Medicine,
General Internal Medicine
Assistant Professor of Epidemiology

College of Public Health

Betsy Chrischilles, PhD
Professor, Epidemiology
Director, Health Effectiveness Research Center

Lisa Roth
Deputy Director, Injury Prevention Research Center

College of Dentistry

David Drake, PhD
Professor of Microbiology
Faculty Athletic Rep
Iowa Institute for Oral Health Research
Department of Endodontics

Iowa City VA Health Care System Faculty & Volunteers

Kenda Stewart, PhD
Qualitative Analyst
Center for Comprehensive Access & Delivery
Research and Evaluation
Veterans Rural Health Resource Center—
Central Region
VISN 23 PACT Demonstration Lab
Iowa VA Health Care System

Bill Wirth
Member of the Veteran Engagement Panel
Center for Comprehensive Access & Delivery
Research and Evaluation

Moderators

Gary Rosenthal, MD
Roy J. Carver Chair in Internal Medicine
Director, Institute for Clinical and
Translational Science
Professor of Internal Medicine
Carver College of Medicine
Professor of Health Management & Policy
College of Public Health

Edith Parker, MPH, DrPH
Professor and Head, Community and Behavioral Health
Director, Prevention Research Center for Rural Health
Professor, Public Policy Center
Office of the Vice President for Research
College of Public Health

Ann Marie McCarthy, PhD, RN, FNASN, FAAN
Professor and Associate Dean for Research
Professor of Pediatrics and Community and
Behavioral Health
College of Nursing
